

Veterans of Foreign Wars
Department of New Mexico
Americanism / Patriotic Instructor

Promotional # 10

1 April 2026

To: Diana Russell-Milton, National Ambassador

Jeanette D. Garcia, Department President

As we get closer to real Spring, I hope this finds all well and warm. It will be warm soon for some no April fools!

I hope you all have turned in your reports and are still instructing your auxiliary in the meaning and importance of Americanism. We can still reach out to our young students in schools about how to show their pride in America, by having classroom education days and giving out information on our flag and ways to show students how import it is to show their pride in our Country and our Veterans.

In Malta you can find bookmarks to give the students, showing the Pledge of Allegiance. Also, flyers to hand out about Flag Education.

We can continue to educate our members and new members on why the Patriotic instructor is so important in our meetings. The traditions of the Auxiliary to the Veterans of Foreign Wars are heart felt. It is with pride that we keep these traditions alive.

Please keep our Veterans and Active Duty in your Prayers.

Proud to be an American
