Brothers and Sisters,

Not only is this my final report for the year -Thanks Madame President, Jeanette, but this is also the end of this Program – Auxiliary Outreach! It is a shame that this program is going away – but just because National is doing away with this program does not have to - continue working, continue volunteering.

I was unable to submit for the special awards as none of the reports that I received fulfilled the rules. But I will be turning in whatever reports I have gotten to our Department President by May 1st for her to meet her end of the year requirements.

I wish you all a fantastic year!

Kandy Brazell
