Hey Team New Mexico,

Team. We have all heard the saying “Teamwork makes the dream work” or “There’s no I in Team” or “TEAM- Together Everyone Achieves More”

So how does it tie into Auxiliary Outreach? Auxiliary Outreach is about your Auxiliary giving their time to help another organization. Your auxiliary should be a team working together to help other organizations.

Christmas is around the corner, and I am sure there are many other organizations that need help giving back to the community. Now is the time to reach out and see where your auxiliary can donate their time and give back to the community.

Don’t forget when you find an organization to help up, it needs to be brought up at your auxiliary meeting and voted on to be counted as Auxiliary Outreach. Be sure to wear a little something that identifies you as an auxiliary member (as long as that’s okay with the organization you are helping). Then be sure to report on it at your next meeting and send in a report to me as well.

I hope everyone has a safe and wonderful holiday!

Always Feel free to reach out to me with any questions, comments or concerns.

Auxiliary Outreach Chairman
