

## Auxiliary Outreach

To: Renee King, Department President, Bambi Johnson, National Ambassador, Jeanette D Garcia, Department Secretary, Betty Decker Department Website Chairman

From: Dominique C Garcia, Department Chairman

Greetings New Mexico,

**P.A.P.E.R** that is the acronym Bambi has given us to use and help us remember what steps we need to take to participate in the Outreach Program, so let's break it down.

**Partner-** find an organization that can use our assistance in their event.

**Approve-** now that you have found an organization you want to partner with, make a motion in your auxiliary meeting to partner with the organization and volunteer in their events, vote on it and be sure it is in your meeting minutes

**Participate-** yay! It's been approved, now its time to get a team together and volunteer at the event. Be sure to double check with the organization on how many volunteers they will need and all the details.

**Emblem-** day of the event wear something with the Auxiliary emblem, or something that says VFW Auxiliary on it. Be sure to check if the organization wants you to wear one of their shirts, hats, or name badge and always ask permission to wear something that shows the VFW Auxiliary.

**Report-** now that the event is done, time to report on the event. Let the members know how the event went, if any members were recruited, and if there will be another event more members can volunteer at.

If you have any questions feel free to reach out to me. Remember we are partnering with an organization that needs **OUR HELP**.

Thank you,  
Dominique C Garcia  
Auxiliary Outreach Chairman
