

AUXILIARY OUTREACH PROGRAM

DECEMBER 2023 PROMOTIONAL

Hello to all sisters and Brothers, this time of year is a very special time of year and it's time's like this that we all need to stop and be Thankful for what we have, and to help those that don't have. So many of us are blessed in so many ways but if you look around so many people are struggling, especially during this time of year. So, stop and reach out. There are so many organizations that especially during this time of year work with each other for the common goal, that is to help.

So, I ask all to plan something within your Auxiliaries, and Posts and I'm sure you don't have to look very far to help get involved and reach out to our fellowman. How about helping with your local schools I'm sure they are out doing food drives, gathering socks or clothing for the children. I know of one in my community that collects monies for shoes then needs help distributing those shoes, maybe there's a local pantry that can use a few hands during this time of year to separate or hand out food. Maybe some communities are having Christmas parties and can use your help, grab a comrade, and ask him to play Santa. Small thoughts count and mean so much for those that don't have, Make this time of year a special one for someone out there.

One thought I'd like for all to remember is Know what we do, who we are and why we do what we do. WHAT, WHY and Who!!!! We are one very strong organization and as they say it takes a village so be that village and help those that need our help.

To All may your Christmas be Bright, healthy, and Blessed to you and all your family.

Merry Christmas

Barbara Santillanes

Auxiliary Outreach Chair for NM
