

Historian/ Media Relations

Lights, camera, action!

Upcoming- Historian/ Media Relations Award for Auxiliaries due to me by March 31st!

This award is the most outstanding social media reel highlighting auxiliaries in action. Auxiliaries please fill out the form and send me a reel, I know your auxiliaries have been working very hard and this is a great opportunity to share that. I would love if one of our auxiliaries was chosen at national.

If you need help making a reel please reach out!

Make sure you are asking members and guests- especially any children- if it is okay to take their photo and post it on social media and/or use it for the reels. We do have photo release forms on MALTA- log in- member resources- historian/ media relations- scroll to sample photo release forms. There are forms for adults and youth.

Pictures needed!

Part of my report is a Slide Show showcasing the National Presidents Visit and photos of any meetings, fundraisers, ceremonies or events that happened this year. It is due to my National Ambassador by April 30th.

I would love to include photos from every auxiliary to showcase all the hard work we have done this year. If you have any photos from the National President Visit and events or ceremonies or fundraisers you would like to share please text or email them to me.

Keep posting on social media and making your reels. Everyone is doing great and I have loved seeing our auxiliaries hard at work. Keep reporting to me also, whether its through the dashboard, snail mail, or email. You can also call or text me a report.
