

VFWA Department of NM

Department Hospital Chairman, Victoria Jensen

November 19, 2023

Dear Auxiliary President and Hospital Chairman,

I am asking for your help. Unfortunately, I've been in the hospital two times in the past couple of months and haven't felt up to contacting you. Thankfully, I'm back to my normal self.

As your Department Hospital Chairman, I have done my best to keep you informed on hospital information that National wants you to know. I haven't received reports from you, (President) or hospital chairman. I am here to help if I can. As Hospital Chairman It's my job to know what you've done. It's your job to let me know, because I have to report it.

It doesn't have to be a hospital. It can be a nursing home or a home visit to a Veteran.

If you need any hospital forms, please let me know.
