HOSPITAL PROGRAM
Veronica Angel Program Chair 2026-2027

Promotional July 2026

VFW Auxiliary National Ambassador - Debbie Sturgis
VFW State Auxiliary President - Michelle Dennisson
VFW State Auxiliary Secretary - Betty Decker

I hope that your 4th of July was a successful day. As National Convention has now come to an end, I hope that you have learned lots and had fun at the same time. Now that we are back home it's time to begin our journey to become the best Auxiliary we can be. This month I would like to see you spend time with at least one veteran at a hospital or nursing home. Let's celebrate August 13th as it's a non-traditional International Left Hander's Day. Let's celebrate their uniqueness and differences with a veteran. Try doing something outside of the box with them. Don't forget to report and get lots of pictures.
