I'm Veronica Angel I'm the President of 10124 in Las Cruces. I'm also the Jr Vice President of District 3. I'm eligible through my biological father who served in Vietnam. My grandparents served in WWII, an uncle in Vietnam and another uncle in Dessert Storm.

I'm very honored to be Hospital chairman for Department. I have partnered with the CVMA's and Mary Kay Representative to deliver gifts and necessities for hospitals and Nursing Homes. I'm also currently Veterans and Family Chairman at Post level.

My goal this year is to be hands on as chairman. If there are any events that you will be having then I would like to be there. Don't forget to send pictures while you report.

Hope you have a wonderful and safe Fourth of July.
