Happy Breast Cancer awareness month. If you know of a veteran that is going through something, just be there for them. Let's bring comfort, companionship and a helping hand. Let's make a difference in our Veteran's life.

I hope you all learned a lot at the September 19th training. There was a lot of useful information that you can take back to your Auxiliaries. I enjoyed seeing all that showed up.

Hope you all have a happy and safe Halloween. Remember you can email or snail mail your reports to me.
