Happy Thanksgiving Everyone!  
Let's Honor our Volunteers!

It's time to give thanks to volunteers who:

- Visit our Hospitalized Veterans
- Visit our Nursing Homes
- Visit our Veterans that are homebound

You can create your own certificates. A "Thank You" goes a long way. Show them that you appreciate them.

Pins are given by National when they reach 100 volunteer hours. If they haven't reached 100 hours yet, you can honor them with a certificate.

Non-Members that volunteer can also get a "one time" pin from National. Forms are under Hospital Programs.

Please send me the names of your hospital volunteers. I would also like to send them a "Thank You".
