

**Veterans of Foreign Wars Auxiliary
Department of New Mexico
Hospital Program**

Promotional #1

July 1, 2024

TO: Paulette McCord, National Ambassador
Renee King, VFWA Department President, New Mexico
FROM: Jeanette D. Garcia, VFWA Department Chairman, New Mexico

Hello Department of New Mexico!!

It's that time of year again. Time sure does fly. A New Year has begun!!

Our National Ambassador this year is Paulette McCord from the State of Oklahoma. Let's show Paulette how hard we work for our Veterans. How are we going to bring smiles to their faces and show how much we care?

What are the goals of the Hospital Program for the year 2024-2025?

Volunteer Recruitment

New Volunteers are needed at VA Hospitals
We will learn more about recruiting members and retaining them

Recognition & Support

This year I will provide ideas on how you can recognize your volunteers
And hear from you and how you will recognize them

Valentines for Veterans

Show your compassion and love for our Veterans. Work with schools to help
create Valentine cards – what else can we do to say Thank You and show
our love to our Veterans?

Women Veterans Health Care

Resources and Health Care Services will be available for you throughout this
Year. Help our Women Veterans receive the benefits owed to them.

Honors Escort

How can we honor our Veterans in a respectful way at the time
of their death. We will provide some information for you and the
surrounding VA's and hospitals.

Next month we will talk about one of the Hospital goals this year and provide information to you about Awards for Members and Auxiliaries.

Also, I would like for you to send me the name of your Hospital Chairman for your Auxiliary. Can't wait to hear from you.

Please let me know if you have any questions.

Loyally,
Jeanette D. Garcia
