Happy April! This almost completes my year as NM Department chair for Legislative. Please remember to get your end-of-year reports to me by April 15, 2024. I am excited to see what your Auxiliary Members did this year with the Legislative program.

I encourage you to continue looking at the VFW Legislative goals for the most up-to-date information. Several representatives for the VFW spoke to the legislators last month while in Washington, D.C. The outcome was good for some and not so good for others. This is why we must keep pressing forward as VFW Auxiliary members to continue to protect and fight for our veterans' rights and benefits.

Remember to stay involved and report your activities to make a difference for our veterans. Have a blessed month and take care!
