Hello there! Happy March!

I wanted to share some information with you about the VFW's involvement in helping our veterans. Every year, the VFW suggests new legislation to support veterans, and they gather at the VFW Washington DC conference to communicate these requests with the country's representatives and senators.

If you're interested in attending the conference or learning more about it, you can check out the following links: <https://www.hyatt.com/en-US/group-booking/WASRC/G-VFS4> for housing, and <https://www.vfw.org/media-and-events/2024-vfw-washington-conference> for more information on the conference and legislative connections.

Remember to stay involved and report your activities to make a difference for our veterans. Have a blessed month and take care!

Michelle Dennisson
