## **Promotional #5 DECEMBER**

**Greetings Movie Goers,**

Happy Holidays!!! 🍷🍷🍷🍷 It is time for the holidays. Maybe a gift of membership would be a great way to thank our hard-working veterans and their families.

We have several Auxiliaries who are already at/above 100%. They have earned their star on the Hollywood Walk of Fame. CONGRATS TO AUX 9515 who has joined the 100% Club.

**GOAL-We are rounding the corner to the end of the 2023 year. We still have over 300 members who need to pay their dues. I am asking for all MEMBERSHIP Chairmen to reach out personally this month and collect dues. Set up calling trees and offer to meet or pick up memberships.**

**Remember-OFFICERS-you must have your dues paid by December 31, 2023, to be considered in good standing.**

**We are currently 90.63% with 354 members to go to be 100% (As of 11/26/23).**

**We are behind last year's percentage. Let's get those members by December 31, 2023.**

**INVITE** them back to meetings/events, **CALL** to arrange to pick dues up, **RECRUIT** those new members at every event.

I sent out an email to presidents last week with the status of your auxiliary, your percentage and how many left to make 100%. Let's get out and **GET THOSE MEMBERS!!**

**Let's take home the MOVIE EMMY this year for best picture!!! Let's Show that **NEW MEXICO HAS TRUE GRIT TO GET IT DONE.****
