

Greetings New Mexico VFW Auxiliary!

My name is Amanda Silva from Auxiliary 3370 in Moriarty, and I have been appointed as the Membership Chairman for the 2026-2027 year! Thank you Department President Michelle Dennisson for giving me this opportunity. Our National Ambassador for this program is Kristin DiGiacomo from the Department of Pennsylvania. This year the VFW Auxiliary's goal will be focusing on Recruiting, Retention and Rejoining. What does this mean? Everyone has their own reason for joining, but what can we as members do to keep them engaged, participating and attending meetings? Let's focus on getting to know our current and new members and see what their interests and skills are and see how we can all work together to grow!

Please let me know if there is anything I can do to help your auxiliary reach its membership goals! I know that there are some of us in rural areas and smaller communities, it might be a little more challenging, but not impossible!
