Promotional #7, March, 2025

Hello everyone,

March?!?!?! Already?????? How did it happen so quickly??????

As of February 24, 2025 at 9:00AM the Department of New Mexico is at...drum roll...paid percentage of 97.26% (which is what Circle of Excellence is based on and gives NM 80 points toward this honor)!! This is fantastic!! True, it isn't as fantastic as when VFWA NM hits 100% PLUS, which we will; and soon, as our State is full of dedicated, passionate and committed people! In the 2023-2024 year we had 3796 members, at this moment we have 3692 members – per MALTA reporting. Which means we are 104 members less than the end of June 2024. I have absolute faith that NM will, once again, meet the membership requirements to be represented in the Circle of Excellence by our beautiful and dedicated Department President Renee King!

How is our tree growing? All of our Auxiliaries are now in at least the 80% group!! Here are our Stats of Paid Percentage – this Month I did it by District. I want to say great work, to all of our Auxiliaries! Everyone has either achieved 100% plus or has grown closer to it. I am Blessed and honored to be a part of such a dedicated State.
