

Membership

Congratulations New Mexico we made it to 101.36%

Congratulations to all the Auxiliaries that have made 100% and above, great job working on membership and bringing in new members. I hope those members are active, attending meetings, and ready to being a new year of continuing to help our veterans and their families.

We still have time to make it to 102%. Keep recruiting and turning in membership applications, please don't hold them for the new year. But remember to tell any potential that they will pay dues now and then again July 1.

I want to thank everyone for all their hard work and dedication. Always remember membership never stops, keep recruiting and retaining members.

I hope next year we recruit many new members, retain our current members, and reach higher in membership. Good luck to our next department president and next membership chairman.

Thank you,

Dominique C Garcia
Department Membership Chairman
