Promotional #4 November

Greetings Movie Goers,

Happy November!!! We all have so much to be Thankful for. Maybe a gift of membership would be a great way to thank our hard-working veterans and their families.

We have several Auxiliaries who are already at/above 100%. They have earned their star on the Hollywood Walk of Fame. Who is next?

HUGE GOAL-We have a goal to be at/above 95% by the end of November. This will give the department **MONEY**. Please go out there and bring in new members and convert those annuals to life. It is a **WIN WIN** for everyone. Let's show **WESTERN CONFERENCE** we have **TRUE GRIT** here in NM.

We are currently 89.31% with 432 members to go to be 100% (As of 10/23/23).

Let's send out **DUES NOTICES** to remind everyone to submit their due. **INVITE** them back to meetings/events, **CALL** to arrange to pick dues up, **RECRUIT** those new members at every event.

I will be sending out a notice in the next week with the status of your auxiliary, your percentage and how many left to make 100%.

Let's take home the MOVIE EMMY this year for best picture!!!
