Greetings Movie Goers,

🥂🥂 Happy New Year!!! 🥂🥂 Welcome to 2024! Welcome to the second half of the Membership Year. As of 12/31/2023, we are at 96.64% with **127** members to go for the Department to reach 100%

We have **12 out of 22** Auxiliaries who are already at/above 100%. They have earned their star on the Hollywood Walk of Fame. CONGRATS to all of you who has joined the 100% Club.

New Year's GOAL-we will work on getting our remaining auxiliaries at 100%.

New Year's GOAL 2- I have an exciting idea to help the department membership that I will go over at Mid-Winter.

Member Resources-Malta has some great resources to use to gain and retain members. Once you gain the members-here is a great way to welcome them to their first meeting.
