Promotional September 2026

Hi New Mexico Auxiliary!

It's a new month and another opportunity to reach out to our current membership and help them renew their membership! Are there members who you haven't seen at your meeting recently who used to be involved? This is the time to reach out, call, text, email, and send them a letter! Always remember to thank them for their membership and, most importantly, thank all your active members for all their hard work; after all, this organization is 100% passion and volunteer work!

Our Department's goal is to reach 95% membership by November 30th. How can we help you reach that goal?
