TO: Francine Cornish, National Ambassador
Beth Miller, Department President
FROM: Jeanette D. Garcia, Department Chairman

Hello Department of New Mexico!!

It's a new year with new ideas and new goals. This year Mentoring for Leadership will have the following goals for each of the Auxiliaries to participate and work on together on:

1. Ensure a Positive Member Experience
2. Engage in Learning and Training Opportunities
3. Develop and Empower Members for Leadership Roles

We will work on these goals throughout the year.

Our National Ambassador states the following:

Goals + Mentoring + Leadership = Health Auxiliaries

How do we remain healthy and how do we engage the members in the Auxiliary, our Programs and working for our Veterans and their Families. I would like to recruit Mentors for this year and listen to those who have mentored and continue to mentor our members. What do they do to help the member? What resources do they use and how are they used?

As a department we will collaborate and develop members to become leaders in their Auxiliaries, their districts and within the Department. There will be training, we will review resources, information will be provided and we will listen and encourage members to grow as Mentors.

As the Department chairman, I will encourage you and All Members to us the CARE Concept:

C – Catch the member when they first join

A – Ask them to participate

R – Remember what it felt like to be new

E – Engage them in a Program that fits them

We have so much to learn, ways to work together and ensuring that we meet the needs of our members and helping them to be the best they can be. There are many leaders waiting to branch out and show what they can do and become a Mentor. **Let's See Who You Are!!**

Loyally,
Jeanette D. Garcia
Department Chairman
