

President's Letter

September 1, 2021

Congratulations New Mexico!!!! All Auxiliaries and Districts are bonded.

September marks another month of activity in the VFW Auxiliary Department of New Mexico. We have great things to do this year and great information to impart, so please take the time and pass word to all of your members.

This month all Auxiliaries and Districts will be getting a letter with your Unpaid/Former members on it. Please contact these members to talk to them about renewing their membership and why they are thinking of not renewing. We will be sending an example letter and phone script for the auxiliaries to use when contacting these members. Many of these former members just forget it is time to renew. Others think the VFWA does not care for them because the only time they hear from us is for money or renewals. Let us change that this year and be actively talking to these members. If any member wants to help with these contacts, please talk to your Auxiliary President and/or Secretary.

We have the National President's visit October 1st - 3rd in Albuquerque. We will be visiting the Trinity site and maybe attending the Balloon Fiesta. More word will follow.

We have a Council of Administration meeting in Las Cruces at Post 6917 on October 23 at 9:30 AM. More information will follow. Everyone is invited to attend this meeting. All Auxiliary members are encouraged to attend District and Department meetings. The more that come out and see what the VFWA is doing, the better everything works.

If there is anything the Department can do to help you, please let us know. We are here to help you succeed. But we need you to help us do that. When we are all working together, there is nothing we can not accomplish.

Betty Decker
Department President
