Hello sisters and brothers of the Auxiliary!

It's that time of the year where we must move the clocks forward for spring. March can be a little bit breezy and /or a little bit cold, that still makes it hard to do stuff outside. This is why the Scholarship program is the perfect indoor program like the Patriotic Arts. This is a program that is done inside making flyers & posters, then putting them up around community places and buildings. Remember it the final push for the program getting that information out to the church bulletins or talk to young adult groups. I was thinking of another great place to get the information out: is to the police officers or judges who oversee juvenile court and kids that are caught graffitng private property. You need to remain them program is due by March 31st to the Auxiliary. Needs to be Patriotic in nature and have 250 words or less explaining their concept for their art. If the student is using the American flag in the drawing it must be following the flag code.

If you want to increase the funds for the Art Scholarship contest for the State, send in a donation to the state and earmark it scholarship art fund.

For the Auxiliary – there is a National Scholarship Program Awards, please look at the National program handbook under scholarships awards and describe what you did to promote the scholarship program in your area. Winner will get a Citation and \$25.00 to the Auxiliary. This award must be into me by March 31st and include pictures if you have them (jpeg format) www.vfwauxiliary.org scroll down to scholarship application.
