Happy Holidays to my brothers and sisters of the Auxiliary!

Now that we have helped the comrades with their programs (VOD, Patriot's Pen, and Teacher of the Year) awards. Let us talk about our Continuing Education program.

Deadline date for this program is February 15, 2026.

As we get closer to the Christmas Holidays and anxiously await the gathering of family, the gathering of friends and the potluck dinners at the Post. I would like to remind you about the continuing education program. It is available to any auxiliary member who has been a member for at least one year, their spouse and their immediate family member 18 years of age or older. It is a scholarship to continue striving for their college or university degree. What members do not know is that it also covers a degree from a vocational or technical school too.

National President Lois Callahan goal is to increase the escrow fund amounts to give out larger scholarships or more scholarships per conference. Christmas is the perfect time to fundraising for this program. Suggestions are 1- passing the hat around, 2-50/50 ticket, 3- trivia bingo, 4-scavenger hunt, 5-pool table tournament (50/50), 6-best drawing of Santa or coloring of Santa. List is endless!!

Let us increase these funds for our National President, and if you are continuing your education please consider applying for this program. For more information, please call or text me or if you need help applying, I am here for you. The National website is www.vfwauxiliary.org scroll down to scholarship.
