School is in session! The VFW and its Auxiliary are dedicated to investing in future generations. Our scholarships promote patriotism while assisting students with monetary resources to help them better their future. It is up to us to tell our communities about these exciting scholarship opportunities. Effective scholarship promotion helps to form strong community relationships, and helps local students reach their goals.

Please send me pictures of the events you have in your community promoting scholarships. Be sure to make your event engaging for students and teachers. Be sure to follow up with them frequently to answer any questions and remind them of deadlines.
