

UNWAVERING SUPPORT

FOR UNCOMMON HEROES™

VETERANS & FAMILY SUPPORT PROGRAM 2024 - 2025

March 2025

Department President – Renee King
Department Secretary – Jeanette Garcia

National Ambassador – Evan Smiley
Department Chair – Mary Sanchez

This month will be short and sweet! It's program award submission month. Tell me about your activities or event to increase awareness of veteran and family suicides on your area. Did you team up with other group to talk about mental health of a veteran and how it effect their family? Do you help support the family or give pamphlet on suicide or mental health, cause if you did I want to know about it or sent me a collage or pictures and a short write- up and win some money for your affords. There is no project to small or too big to be a success story when you can increase the awareness of suicide and mental health of a veteran and support their families to that ONE + person(s).

Entry form is required and available on our website under member resources or on MALTA under member resources and please send them to me postmark by March 31st at the address below.

Please continue to report under Veteran and Family Support program! If you don't know how I can be reached by email at girlisin@hotmail.com or by calling me or texting me at (915) 526-1645. Mailing address is PO Box 545, Anthony, NM, 88021. Let's work together to support our Vets and our families.
