Hello New Mexico Auxiliary Members!

National VFW Auxiliary President's Call to Action: Share the Gift of Reading
In recognition of National Reading Month this October, the National VFW Auxiliary President is encouraging members and communities to share the joy of reading with veterans and their families. A book is more than just pages and words; it can provide comfort, inspiration, education, and a welcome escape. For veterans, reading can be a meaningful way to relax, connect with others, and continue lifelong learning, while families can enjoy valuable time together through shared stories. Auxiliaries can support this initiative by organizing book drives, placing collection boxes at schools, libraries, businesses, and community centers, partnering with local bookstores for donations, or inviting members to contribute new or gently used books suitable for all ages. Collected books can be donated to VA medical centers, veterans' homes, military family support programs, hospitals, and community libraries, helping ensure that the gift of reading reaches those who have served our nation and the families who support them.

I am here to help you and if you have any questions, please do not hesitate to contact me. In addition to my email, I can also be reached via phone.
Together we can continue to make a BIG difference!
