Hello New Mexico Auxiliary Members!

We are already coming to the end of August, and it seems this year is quickly passing by and we still have so much to do. I was looking at our National Ambassador's page on Malta and came across this QR code. For those of you who hold the Veteran's and Family Support Chairman position, either at your Auxiliary level or your District level, this is a great place to get all the information that you need. I would highly recommend that you copy this and have it ready when you are speaking on behalf of veterans and their families. It has a wealth of information. I would like you all to get your phones, open it up and explore! Have a great rest of August and let's get ready for September!

I am here to help you and if you have any questions, please do not hesitate to contact me. In addition to my email, I can also be reached via phone. Together we can continue to make a BIG difference!
