MARCH 2025

Sisters and Brothers,

It's March, it's that time of year. Need to start getting all your 24-25 Youth Activities Year-End report started. I need it by the 15 of April, because I have to have the Department Youth Activities sent into National Youth Activities Ambassador Dominique C. Garcia by the 1 May 2025.

Girl Scout Cookies are going on if you would like to help them you could let them sale the cookies when you have something going on like steak night, pool tournament etc.

Don't for to look in Malta National Youth Activities VFW Auxiliary for what you can do to when extra money is needed in your Auxiliary.

Happy Saint Patrick's Day.
